

Do you qualify as a new investigator?

You must meet these five criteria:

1. Principal investigator on the proposal, not a co-investigator.
2. A full-time employee for less than or equal to 3 years at an institution within the Great Lakes basin or you are a researcher at an institution outside the Great Lakes basin.
3. Not a graduate student.
4. Has not been previously awarded a Great Lakes Fishery Commission project that is more than \$15,000 USD.
5. Has received less than two awards as a new investigator.
